

Learning with a  
difference at  
**REPUBLIC  
POLYTECHNIC**

We are looking for dynamic, tech-savvy and enthusiastic professionals who believe in the power of experiential and reflective learning. You believe students can learn from your valuable experiences. You aspire to impact young lives by nurturing and challenging their thinking. Using a pioneering educational concept, you help students to engage in a creative and innovative manner.

At Republic Polytechnic, we have an ideal environment for this. The only polytechnic in Singapore to adopt such an innovative learning approach, we have the facilities and systems to support our students' learning processes. Our hi-tech wireless and paperless campus-in-the-park provides exciting learning activities for students in our 6 schools and 4 centres. And with Woodlands MRT station/bus interchange nearby, accessing the campus is much easier than you think.

## ACADEMIC STAFF

Are you a creative, high-powered go-getter? Are you eager to nurture young minds, and share your knowledge and experience with others? We welcome applicants who can engage students and facilitate student learning in the following areas using RP's One-Day, One-Problem™ approach:
