Dear Prof. Low Peck Seng,

Letter of Appreciation for Singapore 2006

Singapore 2006 (S2006) was the largest ministerial event organised by Singapore. The event comprised a series of meetings, lectures and social events revolving around the IMF/WB Annual Meetings of the Boards of Governors from 11th September 06 till 20th September 06.

The success of the event would not have been possible without the strong support given by the 2100 volunteers including students from your institution. Your students displayed dedication and initiative while executing their duties. Their willingness to go the extra mile despite the long hours left a positive impression on both the delegates and organisers.

I also appreciate the strong commitment of your staff in assisting the Organising Committee in the management of the student volunteers throughout the entire event. I would like to commend you, your staff and your students for their contributions in making S2006 a success for Singapore.

Thank you and best regards.

Yours Sincerely,

BG Ravinder Singh
Co-Chairman, S2006 Organising Committee
