Singapore Citizen Students

For: Singapore Citizen Students admitted to Republic Polytechnic in AY2013

Dear Students,

TUITION GRANT SCHEME

Introduction

The Singapore Government subsidises a substantial portion of the total tuition fees payable for your diploma course at the Polytechnic.

2 For academic year (AY) 2012, the Government has provided a subsidy of S$14,200. This Government subsidy is known as the Tuition Grant. The Tuition Grant for AY2013 is subject to review. The subsidised tuition fees payable for the diploma programmes at Republic Polytechnic for AY2012 are set out at: http://www.rp.edu.sg/Fees/01_Course_Fees.aspx. The subsidised tuition fees payable for AY2013 will be published on the website when ready.

Completion of the Tuition Grant Form

3 Students who are Singapore Citizens will need to complete the Tuition Grant Form which is available at Republic Polytechnic. Your parents/guardians must sign on the form and the duly completed form must be submitted to the Admission Office of the Polytechnic on your registration day. Students who did not submit the completed form will be charged the non-subsidised tuition fees by Republic Polytechnic, which the Polytechnic will advise separately.
Payment of Tuition Grant

4 The Tuition Grant will be remitted directly to Republic Polytechnic.

Yours faithfully,
