Momentum 2009 Moulds Future Dance Masters
Republic Polytechnic provides platform for young rising dance stars to shine

Republic Polytechnic (RP), the Singapore tertiary institution that approaches learning with a difference, proudly presents Momentum 2009, a youth-oriented dance festival.

This dance festival by RP held annually in May, aims to encourage dance creativity and promote original works of various dance genres by gathering the best of the dance groups from local schools and institutions of higher learning.

This year, 16 youth dance groups from 11 institutions in Singapore (including five Singapore Youth Festival award-winning schools), will be showcasing their talents in fusion contemporary, hip hop, ballet, modern dance, breakdance, Latin, Salsa as well as Indian, Malay and Chinese cultural dances.
