Republic Polytechnic Unveils Winners from the National Pushcart Challenge 2009

Overwhelming response received from 15 secondary schools

**Singapore, 23 November 2009** – Back for the third year, the Republic Polytechnic National Pushcart Challenge has attracted over 85 participants from 15 schools in an event that concluded with a showcase of students’ enterprising approach to retailing.

The nationwide inter-secondary school competition was organized to provide a platform for the brightest ideas and entrepreneurial skills of secondary school students. Students were tasked to sell products according to five themes and each school was given a pushcart to display and sell their merchandise.

Jurongville Secondary School emerged as the winner and students walked away with the grand prize award of S$2,000. Runner-ups are Ngee Ann Secondary School (second position) and Hua Yi Secondary School (third position).
