A series of seminar workshops will be held on 19th March 2014 at Republic Polytechnic. These are practice-oriented 1-hour and 15 minutes sessions and will include opportunities for active learning and involvement of the participants.

Theme for the Seminar
"PBL: Innovations in Education and the Workplace" aims to showcase emerging good practices in PBL with a focus on innovative teaching and learning practices and use of technologies in PBL.

Through engaging keynote presentations and stimulating workshops, participants can look forward to learning from PBL practitioners in both education and the industry who will share their real-world case studies and strategic practices at the seminar. The seminar will also be an excellent platform for participants to network with one another.

Keynote Speakers

Professor Anette Kolmos
UNESCO Chair in PBL in Engineering Education, Aalborg University

Ms. Sabrina Koh
Assistant Director, JurongHealth

Workshop Themes

ePBL
Workshops aim to share the different practices of using eTools in PBL.

PBL@Work
Workshops aim to share how PBL can be applied in workplace.
