

Module Exemption for DPP Students who Gain Direct Entry to 2nd Year

School of Engineering	
Diploma in Electrical and Electronic Engineering (R50)	
Pre-Requisites	Modules exempted for DPP Students
a) Direct-Entry-Scheme to Polytechnic Programme (DPP) applicants	1. G101 Cognitive Processes and Problem Solving
b) Having Higher Nitec in Electrical Engineering or Higher Nitec in Electronics Engineering	2. G107 Effective Communication
c) With ITE raw GPA of 3.5 or higher	3. A107 Physics
d) Posted to the 2nd Year DEEE programme via Joint Polytechnic Admissions Exercise (JPAE)	4. A113 Mathematics
	5. E112 Engineering Design
	6. E117 Principles of Electrical and Electronic Engineering
	7. E105 Digital Electronics
	8. E219 Analogue Electronics
	9. One Freely-Chosen Module
	10. One Elective Module
