Important note for students undergoing medical check-up or specific tests:

- The Colour Vision[1] Form and RP Medical Form can be downloaded from Step 4 of the Enrolment Portal. The form must be endorsed by a registered medical practitioner/clinic in Singapore.

- For the Audiometry[2] test, there is no downloadable form. Visit a clinic that provide audiometry services and the audiologist will issue you with an audiometry report after your test.

Additional note for International Students (IS) only:

- You are required to submit **both** the RP Medical Form and ICA Medical Report regardless of the course that you are pursuing.

- If your diploma course requires you to go for Colour Vision test, you are **not** required to submit the Colour Vision form as this is already included in your RP Medical form.
