

Declaration of Medical Conditions

All students are required to declare their medical conditions in the Online Enrolment System. The information will allow us to render support to students with pre-existing medical conditions and special educational needs.

Medical Pre-requisites

Due to the nature of these specified diploma courses, students need to ensure that they do not have the conditions listed in Table 1.

Medical check-up or other specific tests

Students who are admitted to diploma courses listed in Table 2 are required to undergo a medical check-up or specific tests (colour vision and/or audiometry test) at your chosen clinics.

If students are found to have medical conditions from the medical check-up or specific tests, they will be assessed on a case-by-case basis to determine whether they can continue in the offered diploma course or be recommended for course transfer.
