Tuition Grant Scheme
for International Students (ISs)

INSTITUTE OF HIGHER LEARNING (IHL)

Republic Polytechnic

ACADEMIC YEAR (AY)

2020

Dear Student,

The MOE Tuition Grant (TG) Scheme is open to students enrolled in full-time Diploma programmes in the polytechnics to help defray the cost of their tertiary education.

As an IS, you may apply for TG upon successful enrolment into a polytechnic. This is provided you have not received TG previously to complete a course at the same or higher level of education.

There is a limited number of TGs available for ISs, and these are awarded on a competitive basis based on merit.

If your application is successful, you will be awarded a Tier C TG and be required to secure employment and serve in a Singapore entity for three years upon graduation.

Unsuccessful applicants, or those who do not apply for TG, will need to pay full tuition fees.
