Dear Student,

The MOE Tuition Grant (TG) Scheme is open to students enrolled in full-time Diploma programmes in the polytechnics to help defray the cost of their tertiary education.

As a SPR, you may apply for a TG upon successful enrolment into a polytechnic. This is provided you have not received TG previously to complete a course at the same or higher level of education.

If your application is successful, you will be awarded a Tier B TG and be required to secure employment and serve in a Singapore entity for three years upon graduation.

Unsuccessful applicants, or those who do not apply for TG, will need to pay full tuition fees.
