SGUnited Skills (SGUS) Programme

***Environmental Services
and Management***

5 THINGS

to know about

SGUnited Skills Programme in Environmental Services and Management

1 What will I get out of this course?

Prep yourself for a career in the environmental services industries, such as Operations Executive and Environment, Health and Safety Specialist. This programme will cover the fundamentals of environmental sustainability, health, and safety management. You will gain knowledge in standards and practices for sanitation and hygiene, as well as risk assessment and workplace safety practices, to help in operations and assurance roles.

Career Opportunities:

Environmental Service Supervisor
Environmental Health and Safety Specialist

3 Where will the course be held?

Lessons will be conducted via online learning.

5 How much is the course fee?

Course fee for the six months programme is \$500. The programme is eligible for SkillsFuture Credit.

2 What modules will I be taking?

- Environmental Law and Policy
- Climate Change and the Environment
- Health and Hygiene
- Sanitation Standards and Practices
- Sustainability Project / On-Job-Training
- Environment, Health and Safety Management
- Environment, Health and Safety Audit and Applications
- Business Continuity Management
- Capstone Environmental Services project

4 How often do I need to attend the course?

Course commences in October 2020, and will run for a total of six months.

Number of Lessons	Duration
Two times a week Monday & Tuesday	9:00am - 5:00pm

Minimum Entry Requirements

Applicants should possess one of the following combinations of qualification and work experience:

- 3 GCE O-Level passes including English (Grade 1 to 7), Science (Grade 1 to 6) and one relevant subject (Grade 1 to 6) with at least three years of relevant work experience;
- NITEC or NITEC in Technology/Services (GPA 3.5 and above) with at least two years of relevant work experience;
- Higher NITEC or Higher NITEC in Technology/Services with at least one year of relevant work experience;
- Relevant WSQ Diploma with at least three years of relevant work experience.

Applicants who do not meet the entry requirements may be considered for admission to the course based on evidence of at least five years of relevant working experience or supporting evidence of competency readiness. Suitable applicants who are shortlisted will have to go through an interview and/or entrance test. The polytechnic reserves the right to shortlist and admit applicants.
