SGUnited Skills (SGUS) Programme

Nutrition and Food Science

5 THINGS

to know about

SGUnited Skills Programme in Nutrition and Food Science

1 What will I get out of this course?

Prep yourself for a career in the food manufacturing and food safety industries, such as Food Safety & Hygiene Officer and Assistant Food Technologist. This programme will cover the fundamentals of food science, technology, safety, and regulation. You will gain knowledge in the food processing technologies and the practices for ensuring food hygiene and quality, to help in development, operations, and assurance job roles.

Career Opportunities:

Food Processing and Related Trades Worker
Food Preparation and Kitchen Assistant

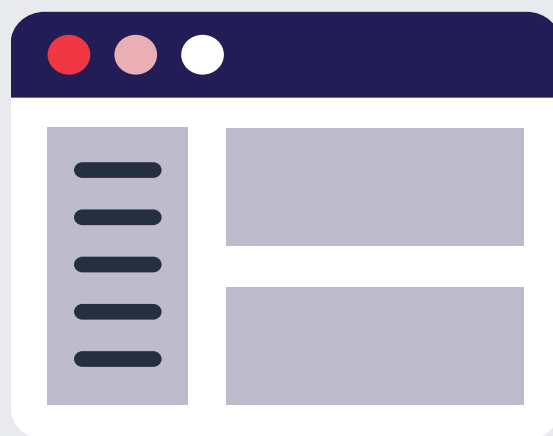

3 Where will the course be held?

Lessons will be conducted via online learning.

5 How much is the course fee?

Course fee for the six months programme is \$500. The programme is eligible for SkillsFuture Credit.

2 What modules will I be taking?

- Food Microbiology and Fermentation
- Food Processing Technologies
- Food Engineering and Packaging
- Practical Approach to Food Hygiene
- Safe Practices in the Food Industry
- Food Quality and Safety Management Systems

4 How often do I need to attend the course?

Course commences in March 2021, and will run for a total of six months.
