# 5 THINGS

to know about

## **SGUnited Skills Programme in Pharmaceutical Sciences**

### 1 What will I get out of this course?

Prep yourself for a career in the pharmaceutical and health products industries, such as retail executives and pharmacy assistants. This programme will cover the fundamentals of therapeutic and complementary health products, and dispensary services. You will gain knowledge in the functions of health products and also operational skills in retail pharmacies, to help in sales, logistical and advisory job roles.

#### Career Opportunities:

Clinic Assistant  
Drug Dispensing Technician  
Pharmacy Technician

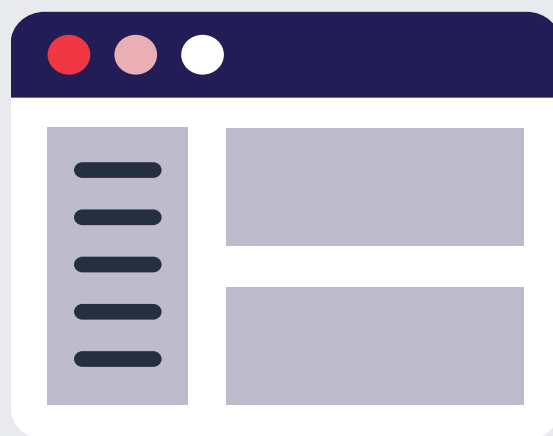

### 3 Where will the course be held?

Lessons will be conducted via online learning.

### 5 How much is the course fee?

Course fee for the six months programme is \$500. The programme is eligible for SkillsFuture Credit.

### 2 What modules will I be taking?

- Dietary Supplements
- Complementary and Alternative Medicine
- Pharmacotherapeutics
- Pharmacotherapeutics II
- Retail Pharmacy and Clinic Management
- Good Dispensing Practice

### 4 How often do I need to attend the course?

Course commences in October 2020, and will run for a total of six months.

Number of Lessons	Duration
Two times a week Thursday & Friday	9:00am - 5:00pm

to \$1,200/month**

**Flexibility to exit  
programme once a  
job is secured**

**Career advisory and  
employment  
assistance**

## ***Minimum Entry Requirements***

Applicants should possess one of the following combinations of qualification and work experience:

- 3 GCE O-Level passes including English (Grade 1 to 7), Science (Grade 1 to 6) and one relevant subject (Grade 1 to 6) with at least three years of relevant work experience;
- NITEC or NITEC in Technology/Services (GPA 3.5 and above) with at least two years of relevant work experience;
- Higher NITEC or Higher NITEC in Technology/Services with at least one year of relevant work experience;
- Relevant WSQ Diploma with at least three years of relevant work experience.

Applicants who do not meet the entry requirements may be considered for admission to the course based on evidence of at least five years of relevant working experience or supporting evidence of competency readiness. Suitable applicants who are shortlisted will have to go through an interview and/or entrance test. The Polytechnic reserves the right to shortlist and admit applicants.
