Things to Know About Work-Study Post-Diploma in Aviation Management & Services

1

What will I get out of this course?

Hear from our participant, Ms Angelicka Atendido, who is currently working with SilkAir (Singapore):

“

Joining RP's Specialist Diploma in Aviation Management and Services has deepened my knowledge of the industry as I get to learn about the various aspects of running an airport and the challenges faced by the airline industry.

”

2

What is so unique about this programme?

This course encompasses the various aspects of Aerodrome and Airline Management. Some of the areas you will be learning about include:

- Passenger Services Management
- Load Control and Air Cargo Operations
- Aircraft and Flight Operations
- Airline Business Management

Under the Work-Study Post-Diploma programme, you may enjoy additional benefits such as sign-on incentive with full-time employment, assigned company mentor, well-structured training, and career advancement opportunities.

3
