

SPECIALIST DIPLOMA IN SUPPLY CHAIN MANAGEMENT

PROGRAMME TYPE: Specialist Diploma + Work-Study Post-Diploma

VENUE: Republic Polytechnic (Woodlands)

This programme will equip you with specialised knowledge and skills in the field of supply chain management, including warehouse and inventory management, transportation operations and freight services, lean process, pharmaceutical and bio-chemical supply chain, and cold chain management.

You will gain hands-on experience in simulation software, TradeNet application, Warehouse Management System ERP System, and hi-tech equipment such as pick-to-voice system, pick-to-light system, cold chain packaging and equipment, and radio-frequency identification.

For participants who opt for the Work-Study Post-Diploma (WSPostDip), you will enjoy additional benefits such as sign-on incentive with full-time employment, assigned company mentor, well-structured training, and career advancement opportunities.

Upon completion of the programme, you will be awarded a Specialist Diploma in Supply Chain Management.
