Things to Know About Work-Study Certificate Leading to a Diploma in Sports Wellness & Services

1

What will I get out of this course?

Hear from our student, Ms Fi'la Saeman:

“

Work-Study Certificate Leading to a Diploma in Sports Wellness & Services is a great programme for those who would like to further their studies and get a head start in their careers. The programme gives me relevant working experience in future job prospects. I feel that this is a bonus point on top of a diploma certificate. Also, having colleagues who are supportive and knowledgeable in the relevant industry makes work more meaningful.

”

2

What is so unique about this programme?

This course provides an integrative approach to preparing participants for a career in multi-faceted and cross-disciplinary roles in the fast evolving sports industry. It synergises expertise in sports sciences, sports management, health management, and promotion in a bid to meet the changing needs of savvy customers for integrated services; allowing you to gain valuable insights that will benefit your career in the Sports Wellness industry.

Under the Work-Study Certificate programme, you may enjoy additional benefits such as sign-on incentive with full-time employment, assigned company mentor, well-structured training, and career advancement opportunities.

Upon completion, you will have the option to complete two additional Modular Certificates for the award of a Diploma in Sports Wellness & Services.

3
