DIPLOMA IN

Events & Project Management

Gain the expertise to manage events such as concerts, sporting events and large-scale business functions, while mastering digital tools and project management to prepare you for success in Singapore's vibrant live entertainment and events industry.

The Diploma in Events & Project Management (DEPM) prepares you for success in Singapore's dynamic events and live entertainment industry. Learn to plan and manage local and global events from concerts to sports events to MICE projects while gaining essential digital and project management skills. DEPM develops your strategic thinking, communication and problem-solving abilities for roles across corporate, commercial and non-profit sectors.

- Globally Recognised Certification: Our curriculum integrates content for the globally recognised Project Management Institute® Certified Associate in Project Management (CAPM)® certification, giving you a powerful head start in the industry
- Real-World Experiences: Master event planning and execution through hands-on learning, real-world case studies, and opportunities to create event experiences with partners like Singapore F1 and prove your skills by winning national competitions such as the Singapore MICE Challenge
- Accelerate your career with the Talent Advancement Programme (TAP), where you'll gain valuable work experience through a one-year internship, expand your industry network, and boost your earning potential
