

SPECIALIST DIPLOMA IN USER EXPERIENCE FOR INFOCOMM TECHNOLOGY

PROGRAMME TYPE: Specialist Diploma + Work-Study Post-Diploma

VENUE: Republic Polytechnic (Woodlands) & Singapore University of Social Sciences

This programme features a unique blend of knowledge and skillsets across user experience (UX) design and infocomm technology (ICT), preparing you for the industrial demand for UX solutions. After completing this programme, you will be able to participate, lead, or manage UX-focused projects involving UX/user interface (UI) designers and programmers.

For participants who opt for the Work-Study Post-Diploma (WSPostDip), you will enjoy additional benefits such as sign-on incentive with full-time employment, assigned company mentor, well-structured training, and career advancement opportunities.

Upon completion of the programme, you will be awarded a Specialist Diploma in User Experience for Infocomm Technology.
